Welcome to English House Academy!

With a vision to equip people in English we have successfully set up this organization in the year 2015. Intensive research on the subject and the design of the course has been the prime focus while establishing English House.

English house has been founded very recently but we are backed by an experience of 15 rich years dedicatedly and unstoppably providing quality services. Our team consists of well-qualified and trained staff that holds great experience. We render unmatched quality to individuals of any age group in order to enhance their skills and knowledge.

About Us

We impart modern communicative methods through various types of interactive sessions like group discussions, debate and we bring all round development in the students.

We want to create a one stop solution for training & grooming for individuals & corporate. With a mission to lead our state Gujarat by improvising the standard of English communication we benchmarked individual grooming in Spoken English in the very first year itself.

Our Expertise

Recognizing the importance of English Language we have customize our programs to enhance English language skills to help working professionals, school and college students & House wives'. Our staffs are committed to giving you a great and a different learning experience with ensured results. We have a group of qualified and experienced trainers who are committed to help with all training needs, from curriculum modification to giving extra attention to individual needs.

Moreover, our organization has received acclamation for educating & mentoring the professionals, youth and students by creating a foundation for success.

www.englishhouseedu.com

English experts & training professionals have standardized the format of classroom training module at our end. We have a team of scholars who have been a member of the board to finely research and design each module of English House.

We have a bouquet of courses to match the requirements of each individual & corporate.

Our Curriculum

- Basis spoken English for beginners
- Regular spoken English
- Advance spoken English – customized
